U.S. Patent and Trademark Office PTOL-303 (Rev. 11-03) Continuation of 5. does NOT place the application in condition for allowance because: The claims, as clearly explained in the Final Rejection, are fully met by the prior art. Note also that it is clear that if the disclosure of prior art meets the term "system bus" then it cetainly meets the term "bus," since "bus" is a broader term. In another word, by deleting the word "system" the Applicant has made the claims even broader.
